

## Patient Complaints Procedure

We offer the kind of respect, care and treatment we would like to experience ourselves. Please tell us what you like and dislike about any aspect of our service so that we have an opportunity to know how to care for you better. Good communication between us is important, so we can meet and hopefully exceed your expectations. If you have a complaint, please talk to a member of the team as soon as possible. We will listen to your concerns, apologise and make amends if we do not maintain the high standards we set.

We take complaints very seriously, investigating them in a full and fair way and take great care to protect your confidentiality. We learn from complaints to improve our care and service. We will never discriminate against patients who have made a complaint and we will be happy to answer any questions you may have about this procedure. We accept complaints made verbally as well as written complaints. If you do not feel you can raise a complaint about your NHS service directly with us, you can address your complaint directly to NHS England at [england.contactus@nhs.net](mailto:england.contactus@nhs.net) with 'For the attention of the complaints team' in the subject line.

Lorna Colebourne is the Complaints Manager and will be your personal contact to assist you with any complaints. We aim to resolve verbal complaints within 24 hours where possible, but if you complain in writing the Complaints Manager will send an acknowledgement letter within 3 working days and will aim to provide a full response in writing as soon as practical. You can send your complaints to 16 Broadway Road, Evesham, Worcestershire, WR11 1BG, call us on 01386 422833 or email the Complaints Manager on [reception@eveshamdental.co.uk](mailto:reception@eveshamdental.co.uk).

If the Complaints Manager is unavailable, we will take brief details about the complaint and will arrange for a meeting when it is suitable for you and the practice. We will keep comprehensive and confidential records of your complaint, which will be stored securely and only be accessible by those who need to know about your complaint. If the complaint investigation takes longer than anticipated, the Complaints Manager will contact you at least every ten working day to keep you informed of the reason for any delays, the progress of the investigation and the proposed date it will be completed.

When the investigation has been completed, you will be informed of its outcome in writing. We will make our response clear, addressing each of your concerns as best as we can. You will also be invited to a meeting to discuss the results and any practical solutions that we can offer to you. These solutions could include replacing treatment, refunding fees paid, referring you for specialist treatments or other solutions that meet your needs and resolve the complaint.

We regularly analyse patient complaints to learn from them and to improve our services. That's why we always welcome your feedback, comments, suggestions and complaints. If you are dissatisfied with our response to a complaint you can take the matter further, please see the contacts below.
